Remarks

In his action, the examiner demanded restriction to a single disclosed species. She stated that Figures 6-8 represent Species I and that Figures 9-12 represent Species II. The examiner also stated that claims 34-37 are generic.

Species II is hereby elected. It is noted that claims 11-23, 27-33 and 42-45 read on elected Species II. In the listing of claims beginning on page 2 of this amendment, these claims are marked as original, along with the generic claims 34-37.

It is also noted that claims 1-10, 24-26 and 38-41 read on Species I. In the amendment made supra, these claims are withdrawn.

It is believed, therefore, that claims 11-23, 27-37 and 42-45 are a single invention, and the examiner is respectfully requested to proceed with the examination. If the examiner has any questions, she is invited to contact the undersigned agent for the applicants at (724) 337-6165.

Respectfully submitted,

Edmond S. Miksch
